

Section 32: Airport (AP)

SECTION:

32.01 Purpose

32.02 Requirements

32.01 Purpose. The purpose of this section is to provide regulations for the airport and surrounding area in order to protect the health, safety, and general welfare of the public and to ensure safe airport activity.

32.02 Requirements. Airport development and operation as well as applicable surrounding and adjacent development and use shall be regulated subject to Minnesota Statutes, Chapter 360, as may be amended, and the Maple Lake Airport Zoning Ordinance, as may be amended.
