

Maple Lake

MOVIE IN THE PARK

FEATURING...

American astronaut Captain Charles "Chuck" Baker lands on Planet 51 thinking he's the first person to step foot on it. To his surprise, he finds that this planet is inhabited by little green people who are happily living in a white picket fence world reminiscent of a cheerfully innocent 1950s America, and whose only fear is that it will be overrun by alien invaders—like Chuck!

*Sorry, No Pets
Allowed*
