Make Your Life Easier With Automatic Bill Payment

The City of Maple Lake offers you the opportunity to pay your bill without writing a check. With your authorization we will, every 2 months, automatically charge either your checking or savings account for the exact amount due on your water/sewer/refuse bill. At any time you desire, you may change or cancel your authorization by notifying us, in writing. It's simple, and there are a number of advantages for you like:

- Convenience:** No more wasting time writing checks, mailing or delivering bill payments.
- Cost Savings:** Save the cost of stamps and check fees.
- Peace of Mind:** Never pay a late charge again because of a forgotten payment or lost check.

Best of all, you have complete control over your bills. Just like today, you will receive your monthly statement prior to any automatic payment being made. Deductions from your checking or savings account will be made on the 15th of the month the payment is due or on the first day thereafter when the 15th falls on a holiday or weekend. So, you will have enough time to review your bill and contact us if you have any questions.

To sign up, just fill out the authorization form below, and return it with your payment.
